IMPORTANT SAFETY INFORMATION FOR LUTALYSE/LUTALYSE HIGHCON: Women of childbearing age and persons with respiratory problems should exercise extreme caution when handling Lutalyse/Lutalyse *HighCon*. Lutalyse is readily absorbed through the skin and may cause abortion and/or bronchospasms, therefore spillage on the skin should be washed off immediately with soap and water. Aseptic technique should be used to reduce the possibility of post-injection clostridial infections. Do not administer Lutalyse in pregnant cattle unless cessation of pregnancy is desired. See full Prescribing Information for Lutalyse [here](#). See full Prescribing Information for Lutalyse *HighCon* [here](#).

IMPORTANT SAFETY INFORMATION FOR FACTREL: Factrel is for use in cattle only. See full Prescribing Information for Factrel [here](#).

EAZI-BREED CIDR: Avoid contact with skin by wearing protective gloves when handling Eazi-Breed CIDR inserts. Do not use in heifers of insufficient size or age for breeding or in cattle with abnormal, immature, or infected genital tracts. Do not use inserts more than once.

Rebate Terms & Conditions

Leaders' Edge™ producers, including PPR Producers, who are residents of the United States, are eligible to participate. Strategic Leaders' Edge Cattle Producers, including Dairy Capitation Producers, and Leaders' Edge Select Producers, are ineligible. Eligible producers must purchase a minimum of \$200 from at least two of the product groups, which include: (a) Lutalyse® and/or Lutalyse® *HighCon*; (b) Factrel® Injection; and (c) Eazi-Breed™ CIDR® Cattle Insert ("Eligible Products") with a cumulative minimum purchase of \$1,500 between either 2/1/2026 and 5/31/2026 ("Rebate Period 1") or 8/1/2026 and 11/30/2026 ("Rebate Period 2") to be eligible for a rebate. For clarity, each rebate period is separate and eligible producers may be eligible for a rebate during both rebate periods, if requirements are met. If eligible, Leaders' Edge producers will receive a 7% rebate on purchases of Lutalyse Injection, Lutalyse *HighCon* Injection, Factrel Injection and Eazi-Breed CIDR Cattle Insert during Rebate Period 1 and/or Rebate Period 2. An additional 2% rebate can be earned on all eligible products purchased if a minimum \$200 purchase is made from all three product groups, with a cumulative minimum purchase of \$1,500 during Rebate Period 1 and/or Rebate Period 2. The following product sizes are eligible: Lutalyse 30 mL, Lutalyse 100 mL, Lutalyse *HighCon* 20 mL, Lutalyse *HighCon* 100 mL, Lutalyse *HighCon* 250 mL, Factrel 20 mL, Factrel 50 mL, Factrel 100 mL and Eazi-Breed CIDR Cattle Insert. All eligible SKUs must be invoiced and shipped no later than 5/31/2026 to be included in the rebate payment for Rebate Period 1. All eligible SKUs must be invoiced and shipped no later than 11/30/2026 to be included in the rebate payment for Rebate Period 2. All purchases must be made directly from Zoetis or from an authorized reseller. Leaders' Edge sales must be reported to Zoetis via EDI or normal Leaders' Edge invoice submission process. Purchases are net of returns. Back orders are not eligible for a rebate. Rebate will be paid based on producer's contracted price or list price, whichever is applicable. Rebate will be paid sixty (60) days after the close of a rebate period, once submission has been reviewed and approved, and will be made via check.

Zoetis reserves the right to modify or discontinue this promotion at any time and for any reason.
