**Privacy Policy:** <https://www.zoetisus.com/policies/zoetis-privacy-center>

**Terms of Use:** <https://www.zoetisus.com/policies/terms-of-use>

**\*Terms:** Rebate is available from 12:00:00 a.m. ET 1/1/26 and ends 11:59:59 p.m. ET 12/31/26 ("Rebate Period"). Invoices must be dated during the Rebate Period to be eligible for a rebate. Cattle producers who are residents of the USA may participate. Leaders' Edge™ members, Strategic Contract Customers, Capitation Producers and Pork Producers are not eligible. Two (2) rebate offers available: (a) Eligible producers who purchase qualifying Zoetis products from at least TWO (2) of the five (5) available product types during the Rebate Period are eligible for a 8% rebate on the purchase price of the qualifying products; or (b) eligible producers who purchase qualifying Zoetis products from at least THREE (3) of the five (5) available product types during the Rebate Period are eligible for a 12% rebate on the purchase price of the qualifying products. Total minimum purchase of \$250 is required for either rebate.

For full terms and conditions and eligible products, visit **CattleRewards.com**.

DECTOMAX-CA1 is conditionally approved by the Food and Drug Administration pending a full demonstration of effectiveness under NADA 141-616.

DECTOMAX and DECTOMAX-CA1 Injectable for use in cattle have a 35-day pre-slaughter withdrawal period. Do not use in female dairy cattle 20 months of age or older. Do not use in calves to be processed for veal. Use of DECTOMAX or DECTOMAX-CA1 in dogs may result in fatalities. Consult your veterinarian for assistance in the diagnosis, treatment, and control of parasitism.

SYNOVEX: Refer to individual labels for complete directions for use, precautions, and warnings. Reimplant only if and as directed in labeling.

Refer to the ORBESEAL label for complete instructions on proper administration at dry off and removal at freshening.

Avoid contact with skin by wearing protective gloves when handling EAZI-BREED CIDR inserts. Do not use in heifers of insufficient size or age for breeding or in cattle with abnormal, immature, or infected genital tracts. Do not use inserts more than once.
